What you propose makes sense to me. Fine to proceed as stated. Some great SEPs would be a win all around.

Subject: WholeFoods national case - update and question for discussion

Cynthia - this is to update you on the status of negotiations on the national Wholefoods settlement (for management of returned products that are required to be handled as hazardous waste), and to vet one issue on the approach for penalty and SEPs.

Ex. 5 AC/AWP/DP

Ex. 5 AC/AWP/DP

Would like to discuss this approach with you, as we would like to start to get to specifics on penalty and SEPs with WF sooner rather than later, in order to meet our hope to have a completed settlement as quickly as possible. Thanks.
